

MBSData, LLC is Formed

January 9, 2009 - MBSData, LLC is incorporated by managing partners Thomas DeLorenzo and Ted Wahlstrom. Both partners have spent over 20 years in the mortgage data and analytics marketplace with firms First American, Basis100 and Mortgage Risk Assessment Corporation (MRAC). MBS Data's mortgage backed securities deal and loan level data platform will assist investors in understanding and managing their risk associated with holding, buying or selling MBS.
